

# Additional Staffing Funding

Complete this form if you have employees who are to be paid from alternative sources (outside of your regular building staffing allocation). **Refer to the current Staff Conversion and Costing table to assist you in calculating the cost.** It is important to remember that the total to be charged to an EEF or PTO account must include wages, fixed and fringe costs.

**Please note: PTO donation funds in excess of \$10,000 must include a 10% equity surcharge.**
