As a coach who requires safety training, you will need to register yourself to the system in order to receive your active assignments. To do so, please follow the instructions below:

Use your registration key: (Note the different Registration Keys)

**COACH:** d64f1943

**ASSISTANT AND VOLUNTEER COACH:** 0f206202

You only have to register once!

Go to Eugene’s SafeSchools homepage, http://4j.or.safeschools.com, and click the “Register” link (below the “Login” button).

On the next screen you will be prompted to enter the registration key above.

Next you will be prompted to enter some basic information, including a username of your choice, which you will use to login to the system moving forward to see your assigned courses.

Once you login to the site, you will see a list of courses assigned to you, and the date on which they are due. To begin, click on the course title then follow the prompts. To earn a certificate of completion, you must complete all sections of the course and pass the quiz. You do not have to take all of your mandatory courses in one sitting, however; if you are called away, the system will remember where you left off and allow you to pick up again at that point.

Your participation will be tracked by Eugene School District 4J and feedback will be provided. If you have any questions, please contact us.
