Substitutes (certified and classified): f4983444

Go to Eugene’s SafeSchools homepage, http://4j.or.safeschools.com, click “Register” (below the “Login” button).

On the next screen you will be prompted to enter the registration key above.

Next you will be prompted to enter some basic information, including a username of your choice, which you will use to login to the system moving forward to see your assigned courses.

Once you login to the site, you will see a list of courses assigned to you, and the date on which they are due. To begin a course, click on the title then follow the prompts. To earn a certificate of completion, you must complete all sections of a course and pass the quiz. You do not have to take SafeSchools courses in one sitting, however; if you are called away, the system will remember where you left off and allow you to pick up again at that point.

Your participation will help to make Eugene School District 4J a safer place to work and learn! If you have any questions, please contact Patrick Hughes, (541) 790-7672.
