

## 1614 BUS CLEANER

---

### **Classification Summary**

Performs thorough and complete cleaning of bus interiors on a systematic basis to assure that all busses are cleaned at least once annually.

### **Supervisory Relationships**

Reports to the Fleet Maintenance Supervisor.

### **Distinguishing Characteristics**

Distinguished from the Automotive Services Worker by the assignment to perform bus cleaning as compared to shop custodial tasks.

### **Examples of Duties**

1. Systematically clean all school busses on a planned schedule.
2. Schedule workload to prevent busses from being unavailable for route service.
3. Report vehicle mechanical problems to shop personnel.
4. Detail new District vehicles for delivery to departments.
5. Keep tools and equipment clean.
6. Perform other related work as required.

### **Required Knowledge, Skills and Abilities**

1. Ability to work independently within definite schedule.
2. Thorough knowledge of the operation and capabilities of District busses and bus equipment.
3. Ability to perform cleaning and sanitizing tasks.
4. Ability to work evenings and/or weekends.

### **Minimum Qualifications for Class Entry**

Possession of a valid State of Oregon School Bus Driver's License.

### **Work Environment**

Work is performed at the Transportation Department shop. Incumbents may be exposed to cold and dark conditions and harsh chemicals.
