

Outcome Statements

Take a few minutes to reflect upon today's class. Think back over our activities, discussions and presentations. See if you can find a lesson or discovery that was important to you. Try to write ___ sentences.

Write your thoughts beginning with phrases like these:

I noticed...

I learned...

I thought...

I observed...

I discovered...

I now realize...

I was surprised...

I am now able to...

I now understand...

I was interested in...

I am still confused about...

I am beginning to wonder...

I want to learn more about...
