BOARD AND SUPERINTENDENT WORKING AGREEMENTS
2014-2015

Purpose:
The Board of Directors is the educational policy making body for School District 4J. To effectively meet the District’s challenges the School Board and Superintendent must function together as a leadership team. To ensure effective group functioning agreements must be in place. The following are the group agreements for the Board and Superintendent.

Governance Principles:
1. Work with members of the Board, the Superintendent, and members of the executive leadership in a cooperative and collaborative partnership aligned toward a common mission.
2. Focus on policy making, planning and evaluation, rather than day-to-day operations.
3. Make decisions as a whole Board only at properly called meetings. Board members recognize that individual members have no authority to take individual action in policy or district and school administrative matters.
4. Support decisions of the majority after honoring the right of individual members to express opposing viewpoints and vote their convictions.
5. Recognize and respect the Superintendent’s responsibility to manage the school district and to direct employees in district and school matters.
6. Actively solicit input, listen to all perspectives and give careful consideration to all issues. We will operate as representatives and make decisions in the best interest of the whole district.
7. Value the role we play in the community and represent the district, when possible, by attending school and community functions.

Meeting Operational Agreements:
1. Add an item to the agenda after being approved by leadership or in agreement by at least three board members.
2. Uphold the legal requirement for confidentiality on all matters arising from the Board meeting Executive Session.
3. Start our meetings and end our meetings on time.
4. Attend regularly scheduled Board meetings unless a situation occurs that makes attendance impossible.
5. Cooperate in scheduling special meetings and/or work sessions for planning and training purposes.
6. Cast a vote on all matters except when a conflict of interest is identified.
7. Hold all meetings at accessible buildings.

Communication Agreements:
1. When a question arises, or a concern is voiced by a staff member, student, parent or community member, communicate directly with the Superintendent and/or members of the executive leadership team.
2. Identify questions and/or concerns about agenda items in advance, when possible, so that the Board Chair and staff can prepare for the meeting discussion. Communicate directly with the Superintendent, member of the executive leadership team, or Board Chair prior to the Board meeting.

3. Communicate directly with the Superintendent or Board Chair prior to raising new issues or concerns at Board meetings or in other arenas.

4. Communicate one-on-one, with the Superintendent, member of the executive leadership team, or other Board member, as appropriate when an individual concern arises. Communicate with Board leadership about concerns with Board process.

5. A Board member with a routine question should first consider going to Board Leadership, the Superintendent or the Chief of Staff. A Board member who desires staff assistance that would require more than 15 minutes of staff time should first raise the issue at Board Leadership. Board Leadership should decide whether to proceed before staff time is allocated.

6. Give the principal a courtesy call or e-mail before visiting a school.

7. No individual Board member, other than the Board Chair or designee, has the authority to speak for the entire Board in any medium.

8. The Board may be required to make findings of fact that are appealable to another agency. In these situations, no Board member will have personal contact related to the issue with parties who have a personal interest in the findings and in the Board’s decision prior to the time the decision is made. The Superintendent and staff will clearly identify a decision of this nature and inform the board when such an issue is to be considered.

3. Involve each board member on a rotating basis in weekly board leadership meetings.

4. Ensure that information exchanged with the Superintendent is shared equally with all Board members via meeting notes and/or Board meeting agenda materials. Ensure that all information is accessible.
