SCHOOL BOARD MEETING

Edison Elementary School

Eugene School District 4J
Participation Process and Planning: So far

The Long-Range Facilities Plan provides a strategic framework for the management of Eugene School District facilities over time, to support student success. The process included:

- Meetings with stakeholder groups, e.g. Student Advisory Board,
- Numerous public school board meetings,
- 6 community workshops,
- 56-member Stakeholder Committee made up of teachers, classified staff, administrators, parents from all regions, all school levels, parents, volunteers, building renters, and other community members,
- 700+ online survey participants,
- 800 telephone survey participants,
- 2 online surveys,
- Online survey distribution in English and Spanish.

To help shape the future design of 4J's new schools, community. This plan was drawn up through the collaboration and support of staff, students, parents, volunteers, building renters, and other community members.

Thanks for your participation to help make our schools the best they can be!
